Here are the files from last evenings meeting. If there are any issues, let me know. I know who didn't show up and efforts were made to give representation to players anyway.

On a side note – I am stepping down from the role of President but efforts are underway to find a replacement. There are two interested coaches, both of which will do a super job!

I appreciate your help and efforts the last four years. It was greatly appreciated.

Thanks – Matt (Colonial is below)
